Chapter 1 by Pedro Hurley Wecchi

Paul was a fat guy who once was known as Paul Kroazka Grayce Luz. A mid weight jiu-jitsu fighter with many trophies in his room. Himself and his brother Viterbo were the most wanted duo in the town of Bebedouro.

He bought himself a Mansion at the Morumbi neighborhood and had to sell it because of his youngers kid mom, called Aline. She wanted all the Unos (very expensive and luxury car), because she was addicted to Parmejianex (good tasting food).

But he wasnt just a good fighter, he was recognized all round the world as the main character of the movie "Perigos do Sertão". He made millions over that movie, and fucked around a thousand girls (including gringas). Unfortunately after using Tag Heuer watches, he was using now Casio watches and driving a mediocre Alzira (poor people car at the town of Bebedouro).

How come this guy, creator of the world wide known phrase "You dream and I realized" was now poor?
